- Click continue

7. You will be brought to the following page:

The screenshot shows a search interface with a blue header bar. On the left, there is a search input field with the placeholder text "Search for care by specialty, name, NPI or license number". On the right, there is a location input field with a location pin icon and the placeholder text "City or County or Zip". Below the search bar, there is a section titled "Find a testing center near you with our COVID-19 Test Site Finder" with an information icon. Below that, it says "Finding care in Dental Blue 100/200/300" with a "Change Plan" link. A "Common Searches" section follows, with "By Care Provider" and a link for "Dental Professionals". A red error message box is overlaid on the right side, containing a red 'X' icon and the text "We did not find that location. Please try again."

8. Please enter a zip code and click 'DENTAL PROFESSIONALS'

This screenshot is identical to the one above, but the location input field now contains the zip code "10514". The error message box is no longer present.

9. You will be given a listing of dental providers in that zip code area. You will be able to narrow your search based on services and/or distance.
